

This rhyme can be sung to the tune of "Twinkle, Twinkle Little Star"

### Jenny 's Bear Loves fresh Air

Jenny and the Bear they love fresh air  
To keep them healthy it's only fair  
Their parents take them near and far  
Keep smoke free your house and car

They want to sing and dance and shout  
This is what it's all about  
Wave your arms kick your feet  
Keep this air really sweet

As we all grow big and strong  
Join us in this little song  
Yes you know what we all mean  
The air we breathe should be nice and clean

Jenny and the Bear they love fresh air  
To keep them healthy it's only fair
